

Title	Alumni Talk on “ <b>International Placements, Strategies to Crack the Interview</b> ”	
Department	Electronics and Communication Engineering	
Date	From :24 <sup>th</sup> February 2023	To : 24 <sup>th</sup> February 2023
Time	From :11:30 AM	To: 1 PM
Brief Description (4-5 Lines Max)	<p>Department of Electronics and Communication Engineering conducted an alumni talk on “<b>International Placements, Strategies to Crack the Interview</b>” on 24<sup>th</sup> February 2023. The speaker, <b>Meghanashree C</b>, is an alumnus of ECE department (Batch-2018-2022). She is currently working as Security Engineer in Andpad Inc, Tokyo, Japan. She had discussed about the strategies, skillsets required for cracking interviews so far as international placements are concerned. Students interacted with alumni at the end of the session by taking suggestions and clarifying doubts on identifying career goals in international companies and achieving them with proper certification courses . The session was overall very informative.</p>
