| Brief Description (4-5 Lines Max) | <p>Department of Electronics and Communication Engineering conducted an alumni talk on “<b>Overview Of Data Science In Media</b>” on 24<sup>th</sup> February 2023. The speaker, <b>Ms.Sneha Srinivasan</b> , is an alumna of ECE department (Batch-2015-2019). She is currently working as Executive Data Scientist in Nielsen Global Solutions. She had discussed about the importance of Data Science, real world applications of Data Science with some relevant case studies. Students interacted with alumni at the end of the session by taking suggestions and clarifying doubts on identifying career goals in the field of Data Science and achieving them with proper certification courses . The session was overall very informative.</p> |                                  |
