DETAILS
(18-19)**

Internship

Course Code	:ECE82	Credits	:04
L: P: T: S	:0:4:0:0	CIE Marks	:50
Exam Hours	:03	SEE Marks	:50

The student will have the ability to

	Course outcomes
ECE82.1	Understand industry/Organization customs and practices
ECE82.2	Demonstrate professional and technical skills that pertain directly to the internship experience
ECE82.3	Demonstrate effective listening skills verbal and written communication skills
ECE82.4	Demonstrate appropriate workplace attitudes and individual responsibility
ECE82.5	Participate well as a team member, Allocate time effectively and build professional network
ECE82.6	Demonstrate effective management of personal behavior, ethics and attitudes and practice ethical standards appropriate to the internship site

INTERNSHIP- 2018-2019

Rubrics

Parameter	>70%	40 to 70%	<40%
Topic Selection	Proper selection of the topic related to the areas of Electronics and Communication	Topic selected is not completely related to the areas of Electronics and Communication	No proper selection of the topic related to the to the areas of Electronics and Communication
Presentation	Proper explanation of the work carried out with good presentation skill	Limited explanation of the work carried out with no proper flow in presentation	No explanation of the work carried out and lack of presentation skill
Level of understanding	Adequate Level of understanding about the internship program being carried out	Limited level of understanding of about the internship program being carried out	Minimal level of understanding of the internship program being carried out
Report	Submission of report on time as per internship guidelines	Submission of report on time but guidelines are not followed properly	No timely submission of report and guidelines are also not followed properly

7. You agree and acknowledge that your internship with the Company does not entitle you to employment with the Company, unless the Company specifically extends an offer of employment to you.
8. As a condition of our offer for internship, you will be expected to sign and comply with the attached Non-Disclosure Agreement which prohibits unauthorized use or disclosure of the Company's proprietary information.
9. During your Internship Period, you will be expected not to use or disclose any confidential information, including trade secrets, of any former employer or other person to whom you have an obligation of confidentiality. Rather, you will be expected to use only that information which is generally known and used by persons with training and experience comparable to your own, which is common knowledge in the industry or otherwise legally in the public domain, or which is otherwise provided or developed by the Company.
10. Termination of internship arrangement:
 - a. Should you desire to discontinue your internship at the Company at any time during the Internship Period, you shall be required to give **7 days'** notice to the Company. The Company may, at its discretion, allow you to leave before the expiry of notice period without compensating for the remaining notice period.
 - b. The Company shall be entitled to end your internship at any time during the Internship Period by giving you **7 days'** notice or stipend in lieu thereof.
 - c. The Company reserves the right to terminate your internship with immediate effect at any time during the Internship Period, by a notice in writing, in the event of your misconduct, including but not limited to, fraudulent, dishonest or undisciplined conduct of, or breach of integrity, or embezzlement, or misappropriation or misuse by you of the Company's property, or insubordination or failure to comply with the directions given to you by persons so authorized, or your insolvency or conviction for any offence involving moral turpitude, or breach by you of any terms of this letter or Company policies or other documents or directions of the Company, or irregularity in attendance, or your unauthorized absence from the place of internship for more than **three (3) working days**, or closure of the business of the Company, or upon you conducting yourself in a manner which is regarded by the Company as prejudicial to its own interests or to the interests of its clients and/or customers.
11. On expiry of the Internship Period or prior termination of the internship arrangement, you will be required to immediately return to the Company, all correspondences, specifications, formulae, books, documents, market data, literature, drawings, effects or records, etc. belonging to the Company or relating to its business and shall not make or retain any copies of these items.
12. You agree to comply with all applicable laws, regulations, and governmental orders of India, now or hereafter in effect, relating to your internship at the Company. You will also comply with all Company policies that apply to interns or trainees.
13. You agree that the interpretation and enforcement of the provisions of this letter shall be governed by the laws of India and all disputes shall be governed by the provisions of the Indian

Arbitration and Conciliation Act, 1996. The venue for arbitration will be Bangalore.

14. This letter (together with the agreement referred to herein) supersedes any prior agreements, representations or promises of any kind, whether written, oral, express or implied between you and the Company with respect to the subject matters herein. This letter (together with the agreement referred to herein) may not be modified or amended except by a written agreement, signed by the Company and by you.

This offer of internship is contingent upon you furnishing the following documents at the time of commencing your Internship Period: updated resume; proof of age; proof of address; copy of PAN card; and written confirmation or a no objection letter from your college/university confirming that you are permitted to carry out internship with the Company during the Internship Period.

India

Dear **Subramanya**,

Internship Offer Letter

It is my pleasure to offer you the position of an **Software Quality Intern** with ServiceNow Software Development India Private Limited (the "**Company**"), on the conditions set out below.

You will be based at Servicenow Software Development India Private Limited, The Fairway, 6th Floor, Survey No 10/1, 11/2, India. Your manager and place of work may change from time to time depending on the needs of the organization and its ability to adapt to market conditions.

This letter summarises some of the headline points but the full details of your engagement are documented in the separate contract (the "**Letter of Engagement- Internship**") which is enclosed for your information. Your start date has been tentatively scheduled for **February 18, 2019** and your contract shall be for a period of **25 Weeks** ending on **July 19, 2019**. This internship offer letter should be read in conjunction with the Internship Contract.

Your stipend will be **INR 150,000**, paid in monthly instalments into your bank in arrears on the last working day of each month or on such other date within such month as may otherwise be notified by the Company. The Company shall make such deductions from your stipend as shall be required by law.

You will be in your training period till the complete duration of your internship which in this case is **25 Weeks** from the date of your joining.

You will not be eligible for the company benefits over and above the stipend as long as you are an intern with the company.

You will be eligible for-

- Provision of a company laptop.
- In addition you will be entitled to gazetted public holidays as per Andhra Pradesh Shops & establishment Act 1988. You will not be eligible for any leave benefits during the internship period.

This offer is conditional on the following:

- A copy of your picture page in your passport and the page with the permanent address;
- A copy of the Permanent Account Number (PAN) Card, issued by the Income Tax Authorities in India;
- A copy of all the testimonials and certificates;
- You signing and returning to us, a copy of this internship offer letter together with the Internship Contract before you begin your engagement with the Company.
- The Company receiving two references from former employers/university (one of which

- must be from your current employer/university) which it considers satisfactory.
- You complete and pass a standard background check, via a third party background checking agency, which will be provided with your CV and contact details, on acceptance of this offer.

This internship offer may be withdrawn, if any, of the above conditions are not satisfied.

By accepting this internship offer, you confirm that you are able to accept this job and carry out the work that it would involve without breaching any legal restrictions on your activities. Once you begin your engagement with the Company, you agree to adhere to all its policies, procedures, guidelines and work instructions.

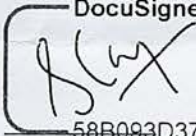

I very much hope that you will accept this offer of internship. If you wish to do so, please sign copies of this letter and the enclosed contract of internship and return to **Sai Ram Neelam** by email at sairam.neelam@servicenow.com. This internship offer is open for you to accept until **January 18, 2019**, at which time it will be deemed to be withdrawn.

We greatly look forward to you joining the ServiceNow team and feel confident you can look forward to a rewarding career with the Company!

Yours sincerely,

Dear **KOLLI SRINIVAS REDDY**,

We are delighted you have agreed to the offer for electronic engineer at **Celsius HVAC Systems**, commencing on 1st February 2019 and ending on 30th April 2019.

1. While your role will focus on developing semiconductors related products for the company, you will have every opportunity to involve yourself more with the company after team discussions on the same. You can be involved in our marketing, strategy, operations and help shape the identity of the company.
2. You'll be on probation for the first 15 days of the internship. During this period, your performance and ability to learn will be closely monitored and your internship will be confirmed at the end of the 15 days.
3. Basis your performance and how the company is performing, you will be offered a stipend at the completion of your probation period. After the completion of each month of internship, a performance review will be conducted.
4. During the course of your internship, you fully commit to **Celsius HVAC Systems**. If you decide to pursue any other opportunity on the side or on a part-time basis, you must seek approval from us before doing so.
5. Any work that you do as a **Celsius HVAC Systems** employee will be the sole property of the Company.
6. You commit to maintain full confidentiality of Company matters with regards to any material that is not publicly acknowledged by **Celsius HVAC Systems**. If you believe sharing certain information externally is beneficial for the Company, please bring it up in a team meeting before acting on it.
7. Any serious issues – on either side – should be raised as they occur. The Company may decide to terminate you for cause by giving you a one-week notice. If you decide to resign before the completion of your internship, you will be required to provide a 'two-weeks' notice.
8. **Celsius HVAC Systems** values your opinion – never hesitate to voice your opinions, questions or concerns. We are all working together to build a great company.

Your signature on the page will be recorded as acceptance of the offer. Let us know if you have any further questions at this point. We look forward to welcoming you to the team.

Offer Letter

23/01/2019

Dear Bharath,

On behalf of **Biodesign Innovation Labs**, I am pleased to offer you the position of Embedded Engineering Intern at our office in IKP EDEN, Koramangala, Bangalore. Your start date shall be February 11, 2019.

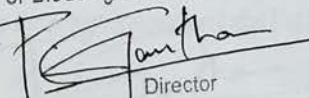

During the internship period you will be offered a stipend of INR.18,000/- per month contingent upon performance. During this period, you will be working on early-stage designs and prototyping for a medical device; requiring design synthesis, interfacing, tuning and controlling of the electro-mechanical systems, embedded systems, sensors and hardware integration. You will also be interacting with doctors, medical professionals and the users of the device.

The company will retain ownership of all intellectual properties generated during the course of your internship as part of your duties or associated responsibilities. All intellectual property rights on all 'works' (as per Copyright Act, 1957 and subsequent amendments) generated or modified by you individually or as part of a team during the course of your internship and as part of your internship will be wholly vested in the company. By this contract you have also undertaken to sign any associated documents to further confirm the above ownership. Unless permitted by an explicit agreement you are also bound to keep such matters confidential and shall use such work for the sole benefit of the Company as required by your internship.

You agree to sign and be bound by the terms of the Non-Disclosure, Non-Solicitation and Non-Competition Agreement required to be signed by you during the term of your internship with the Company and at all times thereafter. You also hereby agree to comply with the terms of any policies of the Company relating to the protection of confidential information from time to time. Any disclosure of confidential information will be considered a serious misconduct and breach of the terms of your internship.

This offer will be valid for 2 weeks from the date of this letter. If this offer of internship is acceptable to you, please let us know your acceptance of internship by confirming via email or telephone within 1 week of receiving this letter and providing a signed copy of this document in person or by post. If we do not hear back from you within this period this offer will be deemed to be canceled and we are not obliged to hold the position open for you.

Date: 25th January, 2019

Dear **AKHIL REDDY**,

We are delighted you have agreed to the offer for electronic engineer at *Celsius HVAC Systems* commencing on 1st February 2019 and ending on 30th April 2019.

1. While your role will focus on developing semiconductors related products for the company, you will have every opportunity to involve yourself more with the company after team discussions on the same. You can be involved in our marketing, strategy, operations and help shape the identity of the company.

2. You'll be on probation for the first 15 days of the internship. During this period, your performance and ability to learn will be closely monitored and your internship will be confirmed at the end of the 15 days.

3. Basis your performance and how the company is performing, you will be offered a stipend at the completion of your probation period. After the completion of each month of internship, a performance review will be conducted.

4. During the course of your internship, you fully commit to *Celsius HVAC Systems*. If you decide to pursue any other opportunity on the side or on a part-time basis, you must seek approval from us before doing so.

5. Any work that you do as a *Celsius HVAC Systems* employee will be the sole property of the Company.

6. You commit to maintain full confidentiality of Company matters with regards to any material that is not publicly acknowledged by *Celsius HVAC Systems*. If you believe sharing certain information externally is beneficial for the Company, please bring it up in a team meeting before acting on it.

7. Any serious issues – on either side – should be raised as they occur. The Company may decide to terminate you for cause by giving you a one-week notice. If you decide to resign before the completion of your internship, you will be required to provide a 'two-weeks' notice.

8. *Celsius HVAC Systems* values your opinion – never hesitate to voice your opinions, questions or concerns. We are all working together to build a great company.

Your signature on the page will be recorded as acceptance of the offer. Let us know if you have any further questions at this point. We look forward to welcoming you to the team.
