Topic Name	Guest lecture – “How to prepare for GRE & TOEFL”
Brief report about the Guest lecture	<p>Department of Electronics and communication Engineering had organized a Guest Lecture on “How to prepare for GRE &amp; TOEFL”, on 8<sup>th</sup> July 2024. The speaker was Mr. Anupam Dubey Business Development Manager Texas Review. He focused on importance of study abroad program for ECE students and its importance in various top level industries. Employability is the key at different universities and is delivered through their Employability Scheme.</p> <p>The GRE is a standardized test used for admissions into graduate and business schools worldwide. It assesses verbal reasoning, quantitative reasoning, and analytical writing skills. Scores are used by admissions committees to evaluate applicants' readiness and potential for success in graduate-level academic programs. The test is computer-based and consists of multiple-choice questions and essay tasks. GRE scores are valid for five years, and the test can be taken multiple times with the option to send the best scores to schools.</p> <p>The TOEFL is a standardized test for non-native English speakers looking to study at English-speaking universities. It measures proficiency in English language skills: reading, listening, speaking, and writing. The test is used by universities and colleges to assess applicants' English language abilities. TOEFL scores are accepted by over 11,000 institutions in over 150 countries.</p> <p>The Test scores gives students the chance to gain visibiolity to employers, build their personal capabilities and so maximize their employment potential. He also explained about the importance of it in placements and how to secure good package in Interviews. Around 120 students attended the session. It was conducted for 6<sup>th</sup> Semester students.</p>
