Topic Name	Guest lecture – “Global Education Awareness Program”
Brief report about the Guest lecture	<p>Department of Electronics and communication Engineering conducted a Guest Lecture on “Global Education Awareness Program”, on 4th October 2024. The speakers were Mr. Anupam Dubey and Mr Divay Tak Business Relationship Manager, International Skill Developnemt Corporation. He focused on importance of understanding the importance of Gobal Education for ECE students and its importance in various top level industries..</p> <p>The Global Education Awareness Program (GEAP) is an initiative designed to foster understanding and appreciation of diverse educational systems and cultures around the world. By promoting global citizenship, the program aims to equip participants with the knowledge and skills necessary to navigate an increasingly interconnected world. Through workshops, seminars, and interactive sessions, GEAP encourages individuals to explore various educational philosophies, address global issues such as inequality and access to education, and celebrate cultural diversity. The program seeks to inspire students, educators, and community leaders to advocate for inclusive and equitable education for all.</p> <p>The scheme gives students the chance to have visibility with employers, build their personal capabilities and so maximize their employment potential. He also explained about the importance of it in placements and how to secure good package in Interviews. Around 90 students attended the session. It was conducted for 7th Semester students.</p>
