

Title	Alumni Talk on “ Navigating your path to the IT Industry: Key Prerequisites, Smart Placements and Global Opportunities ”	
Department	Electronics and Communication Engineering	
Date	From :23rd November 2024	To : 23 rd November 2024
Time	From :10:00AM	To: 12:00 PM
Brief Description (4-5 Lines Max)	<p>On November 23, 2024, the Department of Electronics and Communication Engineering organized an alumni talk titled “Navigating Your Path to the IT Industry: Key Prerequisites, Smart Placements, and Global Opportunities.” Meghanashree C, an ECE department alumnus (Batch 2018-2022), who is currently a Security Engineer at Andpad Inc. in Tokyo, Japan, was the speaker.</p> <p>During the session, Meghanashree shared strategies and skill sets necessary for excelling in interviews for international placements. At the end of her talk, students had the opportunity to interact with her, seeking advice and clarifying doubts about identifying career goals in international companies and achieving them through appropriate certification courses. Overall, the session proved to be highly informative.</p>
