

Title	Alumni Talk on “ <b>Bridging the Gap between college and corporate: Introduction to Data Engineering.</b> ”	
Department	Electronics and Communication Engineering	
Date	From: 10 <sup>th</sup> December 2024	To: 10 <sup>th</sup> December 2024
Time	From: 2 PM	To: 3 PM
Brief Description (4-5 Lines Max)	<p>Department of Electronics and Communication Engineering conducted an International online alumnus talk on “<b>Bridging the Gap between College and Corporate: Introduction to Data Engineering</b>” on 10<sup>th</sup> December 2024. The speaker, <b>Anju Gopinath</b>, is an alumnus of the ECE department (Batch 2016- 2020). She is currently a Senior Software Engineer @ Hexaware Technologies with 4+ years of experience. The audience was V sem students. The session started with a selection of the right career path, the dos and don'ts of switching from campus to corporate life and applications of AI and ML in data engineering. Students interacted with alumni at the end of the session by taking suggestions and clarifying doubts about corporate culture. The session was overall very informative.</p>
