Remarks	Successfully organized the IIC calendar activity			
Objective (100 words)	The IIC activity was conducted for the students to get exposure to start-ups and the ethical steps to be followed during the various phases.			
Benefit in terms of learning/skill/ knowledge obtained	The students understood the basics about startups and how to start their startups. The steps anticipated during the phase and the methods to tackle problems were discussed. The students also understood the ethical rules in start-ups and the legalities involved in			
	the process.			

Key H	ighlights:
1.	Basics of Start-ups:
	• The students gained valuable insights into the fundamental concepts of
	start-ups, including Idea Generation, Market Research, and Business
	Model Development.
	• Practical advice on how to transform innovative ideas into viable
	business opportunities was shared.
2.	Steps to Launch a Start-up:
	• Detailed guidance on the various phases of launching a start-up, from
	initial planning to execution.
	• Strategies for securing funding, building a team, and developing a
	product or service were discussed.
	• Tips on navigating the challenges and obstacles commonly faced by
	new entrepreneurs.
3.	Legal and Ethical Considerations:
	• The importance of adhering to legal requirements and regulations was
	emphasized.
	• Ethical practices in business operations, including transparency,
	integrity, and social responsibility, were highlighted.
	• Students learned about the significance of following ethical rules to
	build trust and credibility in the market.
4.	Problem-Solving Techniques:
	• Effective methods for tackling problems and overcoming hurdles in
	the start-up journey were explored.
	• Real-world examples and case studies were presented to illustrate
	successful problem-solving strategies.
