

Title	Alumni Talk on “Turning Challenges into Opportunities through Innovation:A Journey of Career and Learning”	
Department	Electronics and Communication Engineering	
Date	From :19 th September 2025	To : 19 th September 2025
Time	From :10:00AM	To: 11 AM
Brief Description (4-5 Lines Max)	<p>Department of Electronics and Communication Engineering conducted an alumni talk on “Turning Challenges into Opportunities through Innovation:A Journey of Career and Learning” on 19th September 2025. The speaker, Mr Amogh R Naik , is an alumnus of ECE department (Batch-2020-2024). He is currently working as Research and Development Engineer in Telaverge Communications. He had discussed about the importance of participations in Hackathons, real world applications of Embedded systems with some relevant case studies. Students interacted with alumni at the end of the session by taking suggestions and clarifying doubts on identifying career goals in the field of Embedded Systems and achieving them with proper certification courses and through projects and hackathons . The session was overall very informative.</p>
