Topic Name	Guest Lecture – "Artificial Intelligence for Viksit Bharat - A Perspective of New Education Policy"
Brief Report about the Technical Talk	<p>The Department of Electronics and Communication Engineering organised an insightful guest lecture on “Artificial Intelligence for Viksit Bharat – A Perspective of the New Education Policy” on 26th March 2026. The session was delivered by Dr. V. J. K. Kishor Sonti, Pro Vice-Chancellor, Jeppiaar University, Chennai, who emphasised the growing importance of Artificial Intelligence across leading industries and its impact on India’s technological advancement. He explained how AI plays a crucial role in shaping the vision of Viksit Bharat, contributing to national growth by driving innovation, automation, and digital modernisation.</p> <p>Dr. Kishor highlighted that the New Education Policy (NEP) strongly encourages the integration of emerging technologies such as AI across all levels of education to equip students with future-ready skills. He discussed how exposure to AI fosters critical</p>

thinking, problem-solving abilities, and innovation, ultimately preparing students to participate actively in a knowledge-driven global economy.

The session provided students with valuable insights into leveraging AI tools to enhance personal capabilities and improve employability. He also explained the significance of AI in recruitment processes and offered guidance on effective preparation for interviews in technology-driven industries.

The lecture provided students with clarity on the role of AI in modern career pathways and encouraged them to adopt a proactive approach to skill-development. With around 180 sixth-semester students in attendance, the session was highly engaging and informative. It successfully broadened students' understanding of AI's relevance under the New Education Policy and its potential to shape their academic and professional futures.
