Expenditure Amount ,If any	Nil		
Remarks	Successfully organized the IIC calendar activity		
Objective(100 words)	The session on Accelerators and Incubation Opportunities provided students with valuable insights into the entrepreneurial ecosystem and the various support mechanisms available for transforming innovative ideas into successful startups. The resource persons explained the roles of pre-incubation and incubation		

	centres in nurturing early-stage ideas through structured guidance, mentoring, technical support, and business development assistance.	
Benefit in-terms of learning/skill/knowledge obtained (150 words)	The session covered the complete startup journey, beginning with idea identification, problem validation, solution development, prototype creation, and market evaluation, followed by funding opportunities, investor interactions, and business scaling strategies. Students gained an understanding of how incubation centres provide access to expert mentors, industry networks, infrastructure facilities, training programmes, and financial support that help innovators accelerate their entrepreneurial ventures.	
Key outputs/ Measurable Parameters (150 words)	2 start-ups linkages made
